Principal's Message

Moving on to high school is a significant transition for any student. At RCMA WCA, students begin their journey together from kindergarten to 8th grade. The class of 2024 at RCMA WCA consists of 41 students, and each of them has the potential to achieve great things. This 8th-grade class has left its mark on our school, and as we bid them farewell, they must pass on their legacy to the 7th graders. The Passing the Torch Ceremony marks the departure of our 8th graders and welcomes the rising 8th graders who will leave their legacy next year. During the ceremony, the 8th-grade scholars presented the 7th-grade scholars with their new black uniform shirts, which distinguish them as the incoming 8th grade class. The 7th-grade scholars presented the 8th-grade scholars with a graduate sash. All middle school scholars were in attendance and received a graduation cupcake at the end of the event. While we at WCA are saddened to see our 8th graders leave, we are proud of their achievements and cannot wait to see how they will grow and develop in the years to come..

Congratulations RCMA WCA Class of 2024!
